**REPLY TO DECISION ON PETITION**

U.S. Patent and Trademark Office  
ATTN: Director of Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This paper is responsive to the Decision on Petition mailed September 2, 2008, as follows:

This is a petition under 37 CFR § 1.181 to invoke the supervisory authority of the Director of the U.S. Patent and Trademark Office to Reissue the Notice of Panel Decision from Pre-Appeal Brief Review and Reset the Reply Period. The Commissioner is hereby authorized to charge any required fees to Deposit Account No. 50-2003.

**FACTS**

On January 8, 2008, a Final Rejection was issued by the Examiner. On April 4, 2008, Applicants timely filed a Notice of Appeal and a Pre-Appeal Brief Request for Review, Applicant's Reasons in Support of Request for Pre-Appeal Brief Review of Final Rejection, Applicant's Response to Office Action Mailed January 8, 2008, and Electronic Patent Application Fee Transmittal.

As shown by the enclosed Declaration of Christine M. Judge, neither McGarry Bair nor Applicants' attorney received any communications from the U.S. Patent and Trademark Office by regular mail at the correspondence address of record set forth below and set forth on the decision denying the Pre-Appeal Brief Request for Review. However, Ms. Judge did download a copy of a Notice of Panel Decision from Pre-Appeal Brief Review ("Notice") on July 28, 2008, after discovering the decision on a review of the file in the Office Pair system. As attested in the accompanying Declaration of Christine M. Judge, the Notice was not received at the correspondence address of record. A search has been made of McGarry Bair records, including the electronic file jacket for this matter, and the application contents. The search indicates that the Notice was not received by McGarry Bair. A copy of the Master Docket where the Notice would have been entered is attached as Exhibit A to the enclosed Declaration of Christine M. Judge.

Christine M. Judge, an administrative assistant employed by the undersigned counsel of record, accessed the Image File Wrapper for this application through the PAIR system on July 28, 2008. According to the Image File Wrapper, a Notice of Panel Decision from Pre-Appeal Brief Review was said to be mailed on May 13, 2008. The Notice set a one-month deadline for Applicants to submit an appeal brief in accordance with 37 CFR § 41.37. Counsel for Applicants did not receive the Notice until it was downloaded on July 28, 2008. *See Attached Declaration of Christine M. Judge.*

Ms. Judge has accessed our electronic file for the above-identified patent application as well as the Master Incoming Correspondence folder. There is no record of receiving the Notice and I believe that this document, if sent, was never received by McGarry Bair until it was downloaded on July 28, 2008.

The Office has also requested to supply proof of our docketing of due dates. A master docket for this file is attached as Exhibit B to Ms. Judge's Declaration and shows the highlighted entry of "AWTG DEC ON REQUES" with the base date of April 4, 2008, the date in which Applicants filed a Notice of Appeal and a Pre-Appeal Brief Request for Review, Applicant's Reasons in Support of Request for Pre-Appeal Brief Review of Final Rejection, Applicant's Response to Office Action Mailed January 8, 2008. The Decision (Notice) was never received from the Patent and Trademark Office. This date is open and the notes show that a copy of the Panel Decision was downloaded from PAIR on July 28, 2008. There is no current Master Docket

for the firm that would show those items that have been docketed for response to the Office during the time frame of May 13, 2008 and July 28, 2008, the time frame in which any Notice sent by the Office would have been docketed. However, a list of all incoming mail received by McGarry Bair PC from May 1, 2008 through July 28, 2008 is attached to Ms. Judge's Declaration as Exhibit B. The Notice does not appear on the list.

Applicants would also like to bring attention to the enclosed Notice of Panel Decision from Pre-Appeal Brief Review ("unrelated Notice") in Serial No. 10/608,780 (Attorney Docket No. 71189-1501), an unrelated patent application. This unrelated Notice was received from Group Art Unit 1796, the same Group Art Unit as the above-identified application on August 25, 2008. The attached unrelated Notice states that it was mailed from the U.S. Patent and Trademark Office on July 16, 2008. As shown on the face of this unrelated Notice, it was received and docketed on August 25, 2008 by the McGarry Bair docket clerk, six weeks after the alleged date of mailing from the Patent and Trademark Office. Applicants have serious doubts that the unrelated Notice was actually mailed on or about July 16, 2008.

### CONCLUSION

Applicants respectfully request that the Notice of Panel Decision from Pre-Appeal Brief Review be reissued and that the Reply Period be reset.

Respectfully submitted,

Eric J. Hansen and Jesse J. Williams

Serial No.: 09/589,973 Examiner: Necholus Ogden Jr.

Atty. Docket: 71189-1300 Confirmation No: 9893

**DECLARATION OF CHRISTINE M. JUDGE**

Sir:

Christine M. Judge declares that:

1. I am an Administrative Assistant at McGarry Bair PC (McGarry Bair) and principally assist John E. McGarry, the attorney who is in charge of the above-identified application. I have been employed as an Administrative Assistant for McGarry Bair and its predecessors in interest continuously since 1998 and am familiar with the docketing system used by the firm. As part of my duties as an Administrative Assistant, I meet with Mr. McGarry and typically on a weekly basis to review his docketed files and to schedule actions to make sure that all docketed matters are attended to on a timely basis. In addition to our regular meetings and as part of my duties as an Administrative Assistant, I review Mr. McGarry's docket on at least a weekly if not a daily basis and consult with Mr. McGarry to make sure that all docketed matters are timely completed and filed in the US or foreign patent offices.
2. McGarry Bair was in the original beta test group with the U.S. Patent and Trademark Office for electronically filing applications since 2002. Since that

time we have moved to become a paperless office. Every piece of physical mail that comes into McGarry Bair is scanned and saved to a master Incoming Correspondence folder, which is never deleted, and then is distributed to a responsible person.

3. McGarry Bair uses the following system to process all incoming patent-related mail from the US Patent & Trademark Office ("Office"):

a. Each piece of incoming mail is opened, scanned and saved to a master Incoming Correspondence folder by a responsible employee. The files named with the initials of the employee assistant responsible for processing that particular piece of mail followed by the McGarry Bair docket number and a summary of the type of mail. This folder and the correspondence contained therein is never deleted. Attached as **Exhibit A** is a listing of all documents in the Incoming Correspondence folder from May 1, 2008 through July 31, 2008. As evident from a review of Exhibit A, the Notice of Panel Decision from the Pre-Appeal Brief Review for this matter does not appear on this record.

b. Each item is docketed in our docketing system, PATTSY by the same responsible employee that handles the mail. The docketing is reviewed by a second responsible employee for accuracy.

c. An electronic notification of each docket entry is sent to the attorney(s) of record for the matter and at the same time to the appropriate administrative assistant(s) with a copy of the document.

d. The hard copy of each piece of incoming mail and a printout of the docket for the file are forwarded to the appropriate Administrative Assistant who confirms the docketing.

3. Each attorney and the appropriate Administrative Assistant at McGarry Bair automatically receives a notice by email each day as to those matters that are

due in the near future and on a the date of the email. In addition, each attorney and patent agent receives on a regular basis, usually weekly, a printed docket of the matters that are due for him or her over a period of the succeeding two month period.

4. A copy of the Docket for the above-identified patent application is attached as ***Exhibit B***. The Docket shows that a Notice of Appeal and a Request for a Pre-Appeal Brief Conference was filed on April 4, 2008. At that time, a docket entry was made for filing an appeal brief 60 days after April 4, 2008 and also for "AWTG DEC ON REQUEST" for 5/4/08, which means that the docket entry for "AWTG DEC ON REQUEST" will come up on the docket on May 4, 2008, and for each month thereafter until such time as the decision on the Request for a Pre-Appeal Brief Conference is received. In addition, the docket entry for filing an appeal brief each month after the 60 day period after filing a Notice of Appeal will also come up on the attorney's docket. As shown in the attached Master Docket, the PATTSY docketing system noted that a Request for a Pre-Appeal Brief Conference had been filed and that we were awaiting a decision from the USPTO on our Request. On or about July 14, 2008, I met with Mr. McGarry in one of our regular docket meetings and we discussed the above matter and noted that we had not yet received a decision on our Request. Mr. McGarry requested me to check the USPTO PAIR system to see if any decision of the review panel had been issued.
5. On July 28, 2008, I accessed the Image File Wrapper for the above-identified application through the PAIR system to check the status of the above-identified case. It showed that a Notice of Panel Decision from Pre-Appeal Brief Review was said to have been mailed on May 13, 2008. I downloaded a copy of this document, scanned it into our electronic filing system, updated the docket and gave it to Mr. McGarry.

6. I have accessed our electronic file for the above-identified patent application as well as the Master Incoming Correspondence folder. There is no record of receiving the Notice of Panel Decision from the Pre-Appeal Brief Review and I believe that this document was never received by McGarry Bair until I downloaded it on July 28, 2008.
7. There is no firm master docket that would show the docket entries for response due to the Office in the time frame between May 13, 2008 and July 28, 2008 at this time.
8. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States code and that such false statements may jeopardize the validity of the application or any patent issuing thereon.
